

**SA 1431.** Ms. ERNST (for herself and Mrs. CAPITO) submitted an amendment intended to be proposed by her to the bill S. 937, to facilitate the expedited review of COVID-19 hate crimes, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place, insert the following:

**SEC. \_\_\_\_ COVID-19 VIOLENCE AGAINST WOMEN ACT EXTENSION OF AUTHORITY.**

(a) FINDINGS.—Congress finds the following:

(1) According to the American Journal of Emergency Medicine, during the COVID-19 pandemic, police departments across the country reported increases in domestic violence.

(2) One study, published in the journal Radiology, found that at Brigham and Women's Hospital in Boston, radiology scans and superficial wounds consistent with domestic abuse from March 11 to May 3 of last year exceeded the totals for the same period in 2018 and 2019 combined.

(3) Lockdowns associated with the COVID-19 pandemic increased the isolation of survivors of domestic violence and abusers have taken advantage of that isolation to further exert power and coercive control.

(4) Domestic violence programs and hotlines across the country have seen a substantial increase in contacts since the beginning of the COVID-19 pandemic.

(5) Especially in rural areas, survivors are often far from shelter and services, and steps taken to mitigate the spread of COVID-19 have only exacerbated that disparity.

(6) Survivors across the country have tragically experienced greater abuse and isolation due to lockdowns associated with the COVID-19 pandemic and are in desperate need of increased support.

(7) An extension of the Violence Against Women Reauthorization Act of 2013 (Public Law 113-4; 127 Stat. 54) that lasts through the COVID-19 pandemic ensures that survivors can have their needs met, and ensures that their abusers are subjected to justice.

(b) AUTHORITY.—Any program, authority, or provision, including any pilot program, authorized under the Violence Against Women Reauthorization Act of 2013 (Public Law 113-4; 127 Stat. 54) shall continue in effect through the date that is 6 months after the date on which the public health emergency for COVID-19, as declared by the Secretary of Health and Human Services under section 319 of the Public Health Service Act (42 U.S.C. 247d), expires.

**SA 1432.** Mr. MORAN (for himself and Mr. BLUMENTHAL) submitted an amendment intended to be proposed by him to the bill S. 937, to facilitate the expedited review of COVID-19 hate crimes, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place, insert the following:

**SEC. \_\_\_\_ JABARA-HEYER NO HATE ACT.**

(a) SHORT TITLE.—This section may be cited as the “Khalid Jabara and Heather Heyer National Opposition to Hate, Assault, and Threats to Equality Act of 2021” or the “Jabara-Heyer NO HATE Act”.

(b) FINDINGS.—Congress finds the following:

(1) The incidence of violence known as hate crimes, or crimes motivated by bias, poses a serious national problem.

(2) According to data obtained by the Federal Bureau of Investigation, the incidence of such violence increased in 2019, the most recent year for which data is available.

(3) In 1990, Congress enacted the Hate Crime Statistics Act (Public Law 101-275; 28 U.S.C. 534 note) to provide the Federal Government, law enforcement agencies, and the public with data regarding the incidence of hate crime. The Hate Crime Statistics Act and the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act (division E of Public Law 111-84; 123 Stat. 2835) have enabled Federal authorities to understand and, where appropriate, investigate and prosecute hate crimes.

(4) A more complete understanding of the national problem posed by hate crime is in the public interest and supports the Federal interest in eradicating bias-motivated violence referenced in section 249(b)(1)(C) of title 18, United States Code.

(5) However, a complete understanding of the national problem posed by hate crimes is hindered by incomplete data from Federal, State, and local jurisdictions through the Uniform Crime Reports program authorized under section 534 of title 28, United States Code, and administered by the Federal Bureau of Investigation.

(6) Multiple factors contribute to the provision of inaccurate and incomplete data regarding the incidence of hate crime through the Uniform Crime Reports program. A significant contributing factor is the quality and quantity of training that State and local law enforcement agencies receive on the identification and reporting of suspected bias-motivated crimes.

(7) The problem of crimes motivated by bias is sufficiently serious, widespread, and interstate in nature as to warrant Federal financial assistance to States and local jurisdictions.

(8) Federal financial assistance with regard to certain violent crimes motivated by bias enables Federal, State, and local authorities to work together as partners in the investigation and prosecution of such crimes.
